

FURCATION RECRUITMENT

Role: Tech Crew Member

Overview:

We are seeking a Tech Crew Member to help assist in the setup and support of radios and equipment during Furcation. The individual will need to follow correct guidelines on the handout of radios to departments, help with set up of radio equipment such as building the mast. They may also need to do other tasks during setup and during the convention itself.

Responsibilities:

1. Be there during the setup days at the convention to help move equipment and set up the mast correctly with guidance from the team lead.
2. Able to understand and correctly follow guidance on the handout of radios, insuring no unauthorised procurement from staff who are not supposed to take them.
3. Communicate effectively with other departments during tear down of the convention, insuring all radios are collected and accounted for. That any damage or lost equipment is reported correctly.

Experience:

Some example or demonstrations of these responsibilities is desirable and due to the responsibility of this role.

How to Apply

Please go to the website <https://support.furcation.org.uk/open.php> and choose "recruitment" form the drop-down menus then fill out the application form adding in "Tech Radio Crew Member" to the title.
